Keeping in view the fact that in the past, some of the students have paid huge amount in the form of late payment which does not seem justified, the University has decided to fix the maximum limit of late payment. As decided, the maximum limit of late payment will be as equal to the amount of semester fee. Similarly, the maximum amount of late payment against Hostel/Mess fee will remain fixed as equal to the Hostel/Mess fee of one semester. This will be effective from the session 2022-23.

This issues with the approval of the competent authority.
