## Committee

for

## Research Program and Policy Development

### Constitution:

1. Dr. S.S. Suthar, School of Environment and Natural Resources (Chairman)
2. Prof. R.P. Mamgain, Department of Economics. (Convenor)
3. Dr. Chetna Pokhriyal, School of Languages (Co-Convenor)
4. Director, Research and Development Cell
5. Dr. Himani Sharma, Department of Physics
6. Dr. Sudhanshu Joshi, School of Management
7. Dr. Achlesh Daverey, School of Environment and Natural Resources
8. Dr. Komal, Department of Mathematics
9. Dr. Anshuman Mishra, Department of Geology.
10. Dr. Abhilasha Kannaujia, Department of Geography.
11. Dr. Preeti Mishra, Department of Computer Science
12. Dr. Vipul Goswami, School of Languages

The term of this committee will be 03 years. In addition to assigned roles and responsibilities of the committee, the role of convenor/co-convenor will also include conducting meetings, preparing agenda & minutes and communicating the recommendations.

### Roles and Responsibilities:

1. This committee will work to ensure that research promotion activities at the University are aligned with the mandates of various National Missions, SDGs, Startup India leading to a Self-Reliant India (Atma-Nirbhar Bharat).
2. This committee would work and make specific recommendations so that research guidance from RDC may aim to encourage faculties to conceive ideas through enhanced industry-academia interactions and prepare research proposals for funding from various agencies.
3. This committee would recommend and work to organizing events like capacitybuilding programs (Research Methodology and Research Techniques) and specific research theme-based workshops and Research Internships will motivate the

-- 2 --

endusers (students, scholars, and faculties) to participate actively in the process of ideation and innovative research in emerging areas.

4. This committee will work to identify and recommend thrust areas for research in the university. In addition, this committee will also work to underpinning the societal needs and the availability of key resources, including in-house human resources, faculty research competencies, and support systems.
5. As Research Incentives and Recognition Incentives play a significant role in triggering and catalyzing research interest among scholars and faculties, this committee will formulate/modify and recommend the policies for incentivizing quality publications and patents by students and faculty to create an enduring positive impact.
6. This committee will also work to formulate/modify and recommend the policies for institutionalizing the Excellence Awards for accomplishments/achievements in the form of impactful quality research and/ or research-based teaching so that the research and innovation activities of the university may be stimulated and invigorated.
7. This committee will also work to develop/modify and recommend the policy focussing on identifying specific intensives for research faculty and develop a unique Research Career ladder for strengthening the mission "Research".
8. This committee would also make recommendations to the University for making provision for research in the annual budget subject to the availability of funds.
9. This committee would also formulate/modify and recommend the guidelines for the utilization of the corpus created for research for supporting the seed funding for freshly recruited faculty for developing research facilities, publications and patenting.

Dated: 31. December 2022
