Please refer to our interaction, we had in the morning for conducting the 07 days residential training program under DST STUTI Scheme.

At the outset, we would like to thank you for contacting us and expressing your interest in being the **Partner Institution** for conducting the training program for the eligible participants representing the science fraternity under the **DST Sponsored STUTI Scheme**.

For the smooth conduct of the training program, we would like to know about the following details as soon as possible.

Once we receive the above details, we would like to connect and discuss to finalize the training program keeping in view/ in consonance with the objective of the DST STUTI Scheme.

Financial Component: DST has provided the following grant for the conduct of the training program.

S.NO	Head	Rate of Expenditure (Total INR)
