## INDEX

S.No.	Paper Name	Author	Page No.
1.	Morphological Identification and Enumeration Of Freshwater Algae Isolated from Water Bodies of Jim Corbett National Park, Uttarakhand, India	Abhinav Sharma, Kiran Toppo, Rajan Kumar Gupta	1-19
2.	Environment Conservation during the era of COVID-19 Pandemic	Abhishek Chauhan, Preeti Thakur	20-37
3.	The Preliminary Phytochemical Investigation of Bioactive compounds from the Seed coat of <i>Myristica fragrans</i> Houltt	S N Ambili, P L Drishya, R Nivetha, A Iren Amutha, R Medo Merina	38-43
4.	Systematic Studies of Family Combretaceae In Thiruvananthapuram District, Kerala, India	B. S. Anakha , A.R. Viji	44-54
5.	Antioxidant and Hepatoprotective Activity of <i>Cassia tora</i> against Carbon Tetrachloride Induced Liver Damage	Ankita Sahu, Vinit Singh Baghel, Dhananjay Shukla	55-70
6.	Review of Groundwater Quality Parameters Using Water Quality Index	Ankur Omer	71-80
7.	Evaluation of Floristic Composition of Hadagarh Wildlife Sanctuary, Keonjhar, Odisha	Annapurna Dhal	81-91
8.	Floristic Survey on Marine Macroalgae from the Northern Coastal Districts of Andhra Pradesh, India	Aron Santhosh Kumar Y, M Palanisamy	92-114
9.	Floristic Studies of Pappanamcode Village, Thiruvananthapuram District, Kerala, India	A Arya Raj	115-155
10.	A Scientific Review of Medicinal Properties of Household Plant Products	Tarandeep Kaur, Ashish Raina	156-175
11.	Gas Chromatography-Mass Spectrometry Based Identification of Bioactive Compounds and Evaluation of Anticancer Effects of <i>Spilanthes acmella</i>	Salam Bhopen Singh, Kusum Arunachalam, Kirankumar Salam	176-193
12.	Floristic Studies on Diversity, Soil Profiles and Phytoremediation in the Post-Flood Scenario, in Foothill Region of Western Ghats	Minoov Divakaran, V P Asla, Ashikajith, Archana Pradeep, Ashwathi Hariharan, Anjali	194-213
13.	Wild medicinal plants of South 24 Parganas District, West Bengal, India	Chittaranjan Naskar, Sobhan Kumar Mukherjee , Madhushri Das Datta	214-234
14.	Conservation of Threatened Orchid Species <i>Vanda wightii</i> Rchb.f. in Karnataka	Shreyas Betageri, Prashant Karadakatti	235-242
15.	Effect of Seaweed Liquid Fertilizer on the Germination and Growth of <i>Pisum sativum</i> (Green Peas)	E.S. Abhilash, M.D Theertha, O.K . Ajanya, A.S. Adheena, P.S. Akshay, Nikhil Raj, Ajitha Kumari	243-247
16.	Response of the <i>Abelmoschus esculentus</i> to the Root Knot Nematode <i>Meloidogyne</i>	D. Pechimuhtuand , J. Shoba	248-261
