## Preamble

The Doon University, as a responsible Institutional Citizen resolves to take its vision and mission in a committed and dedicated way to create a Centre of excellence which it was envisaged to be. In order to fulfill the very ideals on which value centric education is based, the University undertakes a charter so that transparency and justice is ensured. Various Committees as detailed in the Charter are there to ensure this. It is our pious duty to ensure that all the stakeholders of the University which includes citizen of this country get full information about the intricate functioning of the University. The ideals of transparency and justice are first and foremost for us which the founder of our constitution and our Education system as well envisaged.

### Vision:

“To emerge as a major seat of learning in the country and around the world. The university aspires to be known for its excellence in teaching, intensive multi-disciplinary research, effective public service and community engagement thereby making impactful contributions to the region and beyond”.

### Mission:

- (i) Offer educational programmes in cutting-edge disciplines of regional, national and international relevance so as to equip the students for today’s competitive world;
- (ii) Conduct high quality and multi-disciplinary research to push the boundaries of knowledge;
- (iii) Creating a collaborative environment open to the free exchange of ideas, where research, creativity, innovation and entrepreneurship could flourish;
- (iv) To impact society in a transformative way — regionally, nationally and globally by engaging with community and interest groups outside the boundary of the university;
- (v) Provide a conducive environment to teachers, researchers and students so that they could engage in pursuit of excellence in chosen areas.

In line with the above Vision and Mission, the University has developed the following distinctive **Characteristic** features over the years:

- (i) A clearly defined Programme Outcome and Course Outcome for each academic programme offered in the university.
- (ii) Responsive to the requirements of society and twinning arrangements with leading universities/institutions and non-govt agencies in teaching and research;
- (iii) Student community drawn from across the country and abroad, besides those from the State of Uttarakhand;
- (iv) Merit based admission to various academic programmes;
- (v) Quality faculty drawn from across the country and working in an enabling environment.
